

WEEKLY UPDATE

October 1, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

As you might be aware, and as we have previously communicated, CMS has distributed guidance for nursing facilities to allow visitors. While we are so excited to for you to see your loved ones and to have you back at our facility, there are many factors that determine whether a facility is allowed to have visitors, up to and including our county's COVID-19 positivity rate, residents' health status, or if there is a COVID outbreak in the facility. We have assessed our situation and have been approved by DEHC, under strict guidelines, to allow 15 minute, outside visitation, limited to two visitors. We are doing this by appointment only, so if you are interested in scheduling a visit, please contact Annie Keaton, Activities Director at the number below.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (803) 699 4111.

Sincerely,

James Scott
