

WEEKLY UPDATE

10.12.20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Also, as the Positivity Rate for Richland County has now been under 10% for the last 14 days, which means we will reduce our employee COVID 19 testing from twice to once a week. We continue to have no employees who have confirmed positive outcomes.

We are continuing to schedule outside visits with residents by appointment. If you are interested in visiting your loved one, please call Annie Keaton, Activities Director at the number below.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803 699 4111.

Sincerely,

James Scott
