

WEEKLY UPDATE

September 16, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We are continuing to test all employees and contractual workers twice a week and we once again had no confirmed positives on our testing on Monday, September 14th. We will test again on Thursday, September 17th, and will update you on those results on our next communication.

We are continuing to work on a plan to begin a gradual and safe re-opening plan for the facility. We will keep you advised as to our progress.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803 699 4111.

Sincerely,

James Scott
