

WEEKLY UPDATE

9/25/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to test all employees for COVID 19 twice a week based on the CMS guidelines for Richland County, but have not had any confirmed positive results to date.

We are also pleased to announce that we have been approved by DEHC to allow outside visitation ***by appointment only***. Please call Annie Keaton, Activities Director, at the number below to schedule a time and get more details.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803 699 4111.

Sincerely,

James Scott
